

Canterbury Health Laboratories

Change of Provider for Courier Services

27 August 2009

This week CHLabs changed over courier firms from NZ Courier to Courier Post as part of a CDHB wide contract. Whilst it is expected some problems may occur, we would appreciate your assistance with some aspects of this change.

- The exchange of bins is different; bins returning do not go overnight but are returned by road. This may mean that some Laboratories may not be holding sufficient bins. Please ring Labline on 0800 THE LAB to arrange for additional bins to be sent to you if required.
- It is important that each bin placed out for collection has the red bin card with the courier label attached. This will ensure correct overnight shipment to Christchurch.

The bins and the number of bins being collected will not change. If you have any questions regarding this change of service please contact Neil Langford on 0800 THELAB ext 81257 or email Neil.Langford@cdhb.govt.nz

Kind regards,
